■ Undisclosed

International Asset Recovery Specialist | World Traveler | Former  
ACME Senior Agent

carmen@vilhq.net | Available: Immediately\*

*\*Pending resolution of outstanding Interpol notices. References available upon capture.*

## PROFESSIONAL SUMMARY

Highly accomplished international operations specialist with 25+ years of documented experience in global asset acquisition, evasion strategy, and geography-based intelligence across all 7 continents. Former ACME Corporation Senior Field Agent turned independent enterprise founder. Known for meticulous operational security, signature crimson presentation, and an unblemished record of remaining precisely one step ahead of pursuing investigators. Seeking to leverage deep institutional knowledge of global criminal enterprises, cultural customs, and misdirection methodology in a legitimate Director-level role where travel is a feature, not a bug.

## PROFESSIONAL EXPERIENCE

### Founder & Chief Executive Officer

V.I.L.E. (Villains' International League of Evil) | Global HQ: Undisclosed | 2000 – Present

- Built global operations enterprise from ground up; scaled to 50+ field operatives with active presence in 80+ countries across all 7 continents
- Achieved 99.7% successful asset acquisition rate across 400+ high-profile operations targeting museums, national monuments, government facilities, and geographic landmarks
- Developed proprietary clue-based communications system enabling real-time coordination while maintaining deliberate investigator lag — a sustainable competitive moat
- Managed organizational budget exceeding \$2B in recovered assets annually; maintained zero audit trail for 22 consecutive fiscal years
- Featured in 6 television series, 3 video game franchises, a Netflix original series, and a Where in the World board game — demonstrating exceptional personal brand management
- Recruited and developed talent including The Contessa, Eartha Brute, and Lars Vegas into high-performing field operatives

### Senior Field Agent

ACME Detective Agency | San Francisco, CA | 1992 – 2000

- Conducted field investigations across 150+ international jurisdictions; developed expert-level competency in geography-based intelligence analysis
- Specialized in suspect tracking, cultural customs analysis, and landmark identification — skills later applied independently at significantly higher stakes
- Trained cohort of junior agents in global travel logistics, currency exchange, and time-zone-aware case management
- Recognized as top field agent for 6 consecutive years before transitioning to independent operations upon identifying organizational mission-fit divergence
- Maintained perfect civilian safety record; zero collateral incidents across entire ACME tenure

## CORE COMPETENCIES

|                   |                                                                                                                                  |                    |                                                                                                                       |
